Galatians 5:25

Dear Brothers & Sisters of the ABCNW,

The churches of western Washington invite you to this year’s TOOLS for the TRADE. Our theme is “Passionate Living Is Not for Sissies” and we will focus on the work of Our Lord the Holy Spirit in our lives and churches.

We are excited and privileged to have Dr. Clay Ford, national speaker and author, as our key presenter. Clay is the chair of Holy Spirit Renewal Ministries and he lives in the San Diego area with his wife Cheri and daughter Hannah, who will also lead workshops for us.

Take advantage of this great time of learning and inspiring fellowship to connect even deeper with the Lord. Bring your pastor, leaders, and others to be equipped to love and serve Jesus Christ together as his church.

We invite all of our ABCNW family to join us as we host this event in Manette. Let us bless you as we gather.

Rev. Ron Anderson

Pastor, Manette Community Church
